## Water Main Replacement Group Job 3008: E-Newsletter #7

### E-Newsletter Series for the Harbor Drive Area

This is the 7th e-newsletter for Water Main Replacement Group Job 3008. The newsletter will be distributed weekly to keep the community informed about construction progress.

### Group Job 3008 Project Description

The water main replacement work for Group Job 3008 is well underway. Group Job 3008 consists of two sections - Group Job 532 and 533. Construction crews are now replacing the existing cast-iron mains that are nearly 60-years old and are at the end of their service life.

#### The project will:

- replace 17,979 feet of 16" cast iron water mains
- improve service reliability
- minimize future water main breaks caused by aging pipes
- increase the size of existing pipes to better serve the area

**Total project cost is \$5,777,000.**

### Contact Information:

#### Water Department's 24-hour Emergency Services Hotline:

(619) 515-3525

#### Group Job Public Information Line:

(619) 533-4207

#### General FAQs:

[www.sandiego.gov/engineering-cip](http://www.sandiego.gov/engineering-cip)

Installing 45" bend valve at the intersection of Pacific Highway and F Street.

### Upcoming Construction Activities

Currently, construction crews are working on Group Job 532 (see *Orange dotted line on map below*). The crew is working to minimize impacts to all those who travel in and out of this area.

#### During the week of July 13 crews will:

##### Day work:

- Conduct potholing activities along N. Harbor Drive
- Place asphalt layer on top of concrete trench along N. Harbor Drive
- Install 45" bend valve at the intersection of Pacific Highway and F Street

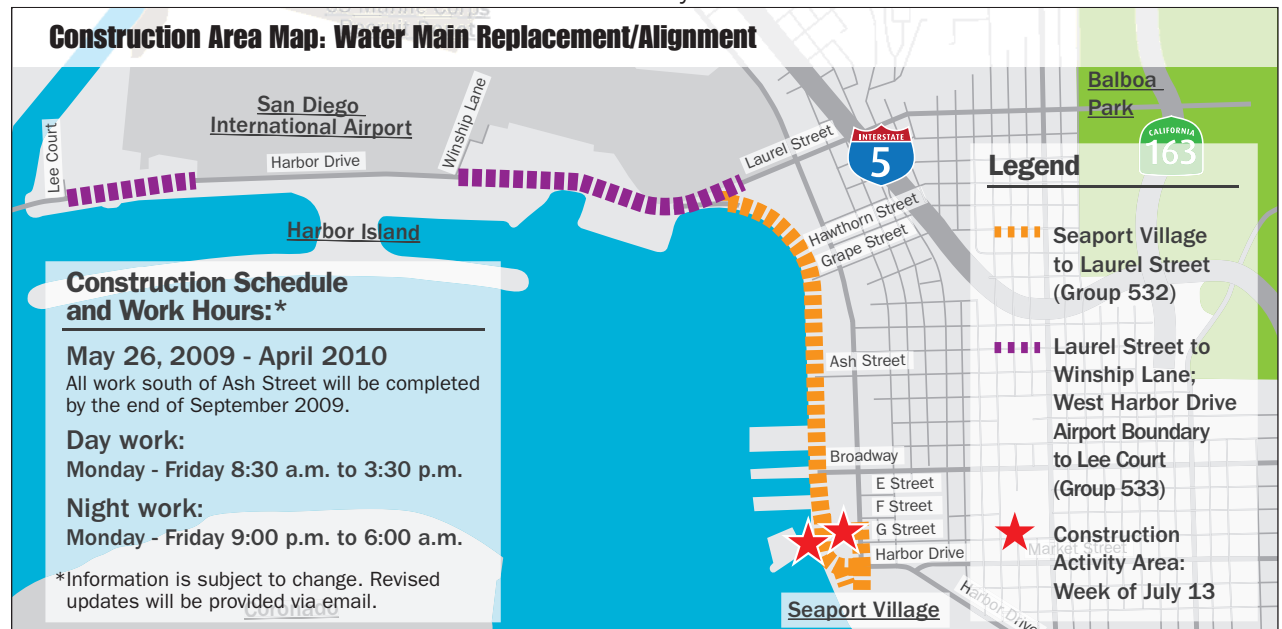

##### Night work:

- Install 16" diameter pipe (approx. 500' of pipe will be laid) along N. Harbor Drive.

#### Traffic Control:

Temporary road closure during night work will occur from 9 p.m. to 6 a.m. on N. Harbor Drive from Seaport Village Parking Lot to Broadway from July 13 - 17.
